WELLS HIGH SCHOOL COMMUNITY ADVISORY COUNCIL

The Wells High School Community Advisory Council was formed in 1951 for the purpose of establishing greater understanding of the problems of the school and the community.

The leaders of business and other groups have contributed from their experience to the changing school curriculum. They have also been active in promoting scholarships to deserving graduates and to increasing the number of Wells High School's graduates who go to schools of higher learning. They are at present cooperating in the Near Northwest Planning Commission's program of neighborhood improvement and development. An increase in automobile parking space and the creation of an area recreation field are two current aims of the Council.

The following members of the Wells High School Community Advisory Council were present at the luncheon-meeting which was held in the Social Room at Wells High School on Wednesday, November 7th, 1956:

Albert H. Goodrich, Principal of Wells High School

Wells Civic Association

The Wells Civic Association, better known as the W.C.A., is an organization at Wells through which the student is given an opportunity to voice his opinion on matters of general concern.

The W.C.A. is the government of our school and it operates on the same basis as our national government. There are three branches: Executive, Legislative, and Judicial. The Executive branch is composed of the President, Vice President, etc., who are elected at the Annual Spring Convention. The Legislative branch is composed of members representing every division in the school. These representatives are Division Presidents whose responsibility it is to report to their division the business discussed at the student council meetings. The powers of the Judicial branch are vested in the Supreme Court that is appointed by the Executive Branch.

The student body is very proud of this Wells Civic Association, which demonstrates democracy in action, and hopes it will continue to serve as well in the future as it has in the past.

WELLS PLEDGE

As a member of the Wells Civic Association, I will:

Meet appointments promptly;

Do my work honestly and well;

Use good speech always;

Keep my school orderly and attractive;

Live democratically with all,

And everywhere uphold the honor of Wells.

The Key Club is one of the finest and most active organizations here at Wells. Its members are selected for their high scholastic standing and leadership. The purpose of the club is to serve the community and to share in civic and social affairs, for example, last year's "peanut sale," and the annual "Youth Rally."

Mr. Paton is the sponsor of this interesting group, which is affiliated with the Northwest Town Kiwanis Club.

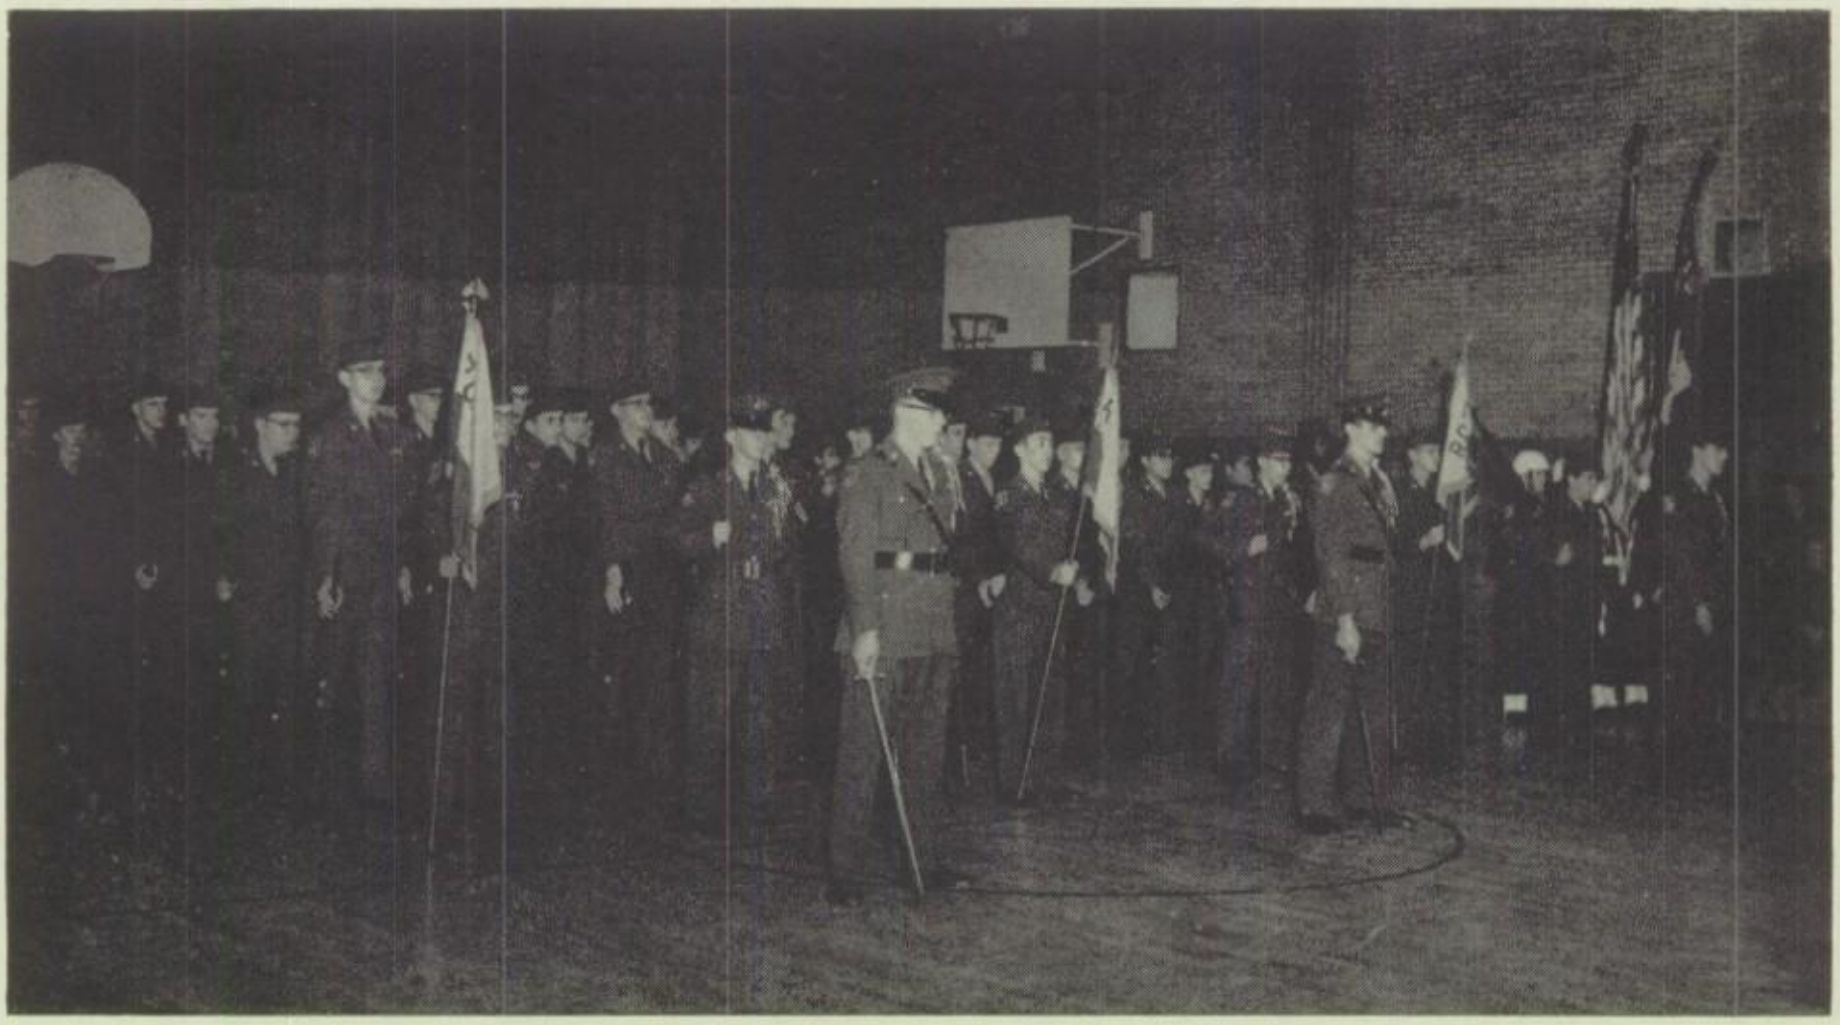
Polish Assembly

Through many years, the Polish Club has held a high standing in school activities and has brought to the students of Wells many interesting programs concerning famous Polish artists, musicians, and patriots. Every year a famous Polish person is picked and discussed by the members.

A program is prepared, and some of the members are given parts to read in English, telling about his life. The reading takes place on stage as well as instrument solos and solos in singing.

Every member takes part in the program. Those who do not do anything on the stage are used in the chorus and sing songs in honor of the particular person. In six years, six famous Polish men have been discussed. They are Sienkiewicz, Meckiewicz, Chopin, Paderewski, Kos'sciuszko, and Moniuszko. This year we are studying the life of Jozef Theodor Konrad Korzeniowsi in honor of the 100th anniversary of his birth.

He is very well known in America as well as in England and his English name is Joseph Conrad.



WELLS R. O. T. C.

By Daniel Miller

The first R.O.T.C. unit in Wells High School was started in 1946. Since then, the Wells R.O.T.C. has steadily improved.

When a student first enrolls in R.O.T.C., he is issued a uniform, which he must keep neat at all times. The cadet must wear his uniform once a week for Uniform Inspection which is held every Tuesday. The cadet is taught many subjects, such as, First Aid and Hygiene, Small Unit Tactics, Map Reading, and Marksmanship. Drill is another important part of the R.O.T.C., as it teaches the cadet precision, how to be alert, and his responsibilities within the Corp.

While learning how to drill each cadet learns the meaning of leadership and how to be a leader. By learning leadership the cadet prepares for the future, when he will become a leader in his community and in the world.

All these things help prepare a cadet for the Annual Formal Inspection, which is given to all the R.O.T.C. units in the city of Chicago. This inspection decides whether or not an R.O.T.C. unit becomes an "Honor School." The Wells R.O.T.C. unit has been an honor school since 1950 through 1956.

Other activities that the R.O.T.C. participates in are Platoon Competition, the annual R.O.T.C. Day parade, and Rifle Team Matches.

Awards and promotions are given to the R.O.T.C. cadets who earn them by doing outstanding work in the R.O.T.C., and their other subjects which they study in school. All these things add up to make a team — working together and helping Wells to have one of the finest units in Chicago.

The R.O.T.C. is instructed by M/Sgt. Norman N. Nelson and SFC William G. Reynolds.

The Wells World

The Wells World, like the Correlator, has been a tradition at Wells for many years. The newspaper operates as a student organization.

Mr. Bernard Apple of the English department is the sponsor. The students are those who are journalistically inclined and who take pleasure in writing stories for the paper.

Before the paper is printed, much work and planning go into its production, work such as the writing of stories, copy-reading them, getting advertisers and subscribers, and then making up the dummy (the arranging of news stories and headlines to make an attractive display). Then the paper is sent to the printers.

After each edition, all the editors meet in Room 216 to discuss and criticize the last edition of the paper. When this is completed, plans are begun for the next issue.

If the students want the paper to continue as one of the most important student organizations of the school the help and support of everyone is needed —especially yours!

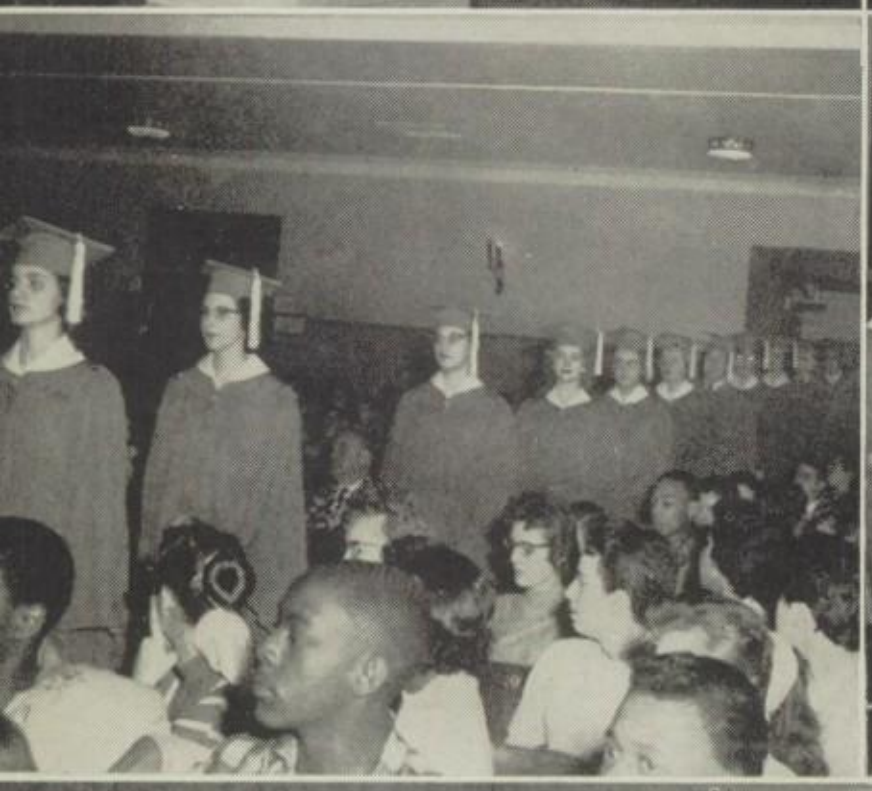
NATIONAL HONOR SOCIETY



The Wells Chapter of the National Honor Society is an exclusive organization to which only 15 per cent of the Senior Class may be admitted. The four Principles of the Society are: Scholarship, Leadership, Character, and Service. One must also possess an E average.

We are sorry to have seen Miss Shaw, sponsor and founder of Wells High School National Honor Society, leave our school. We extend thanks for her hard work.

The Wells basketball team won 16 games and lost seven in the 1956-1957 season. The Blue Raiders turned in a thrilling game by beating DuSable 62-61 in the first game of the city playoffs, but defeat in the quarter-finals came at the hands of our arch-rival Crane.

By Larry Pieroni

Before the big championship game at Wrigley Field, Mr. Wolf asked us to gather around him as he told us how much better we were than Kelly. By the time the big game was ready to start we went on to the field KNOWING that we were going to win. The first game ended in a 1 to 1 tie with Tony Christopher getting the big hit just before the rain cancelled the contest.

The next try was a success, with Vernon Neal turning in a pitching masterpiece, allowing two first inning singles and fanning seven. The final score was Wells 3 Kelly 0 with Wells winning their first Baseball Championship in the history of the school.

It was highlighted by the booming triple off the left field fence by Tony Christopher, after Vernon Neal had just blasted a single to left scoring our second run of the game. The first run came when Larry Pieroni beat out an infield hit, took second on an infield out and scored when John Glanz singled sharply to left.

After the game newspapermen and photographers were busy taking pictures of the New City Champs and we really felt like celebrities.

No one was more thrilled than our very likeable coach, Al Wolf. It was his inspirational coaching, undying spirit and skill that was one of the prime reasons for the VICTORY.

It was the Wells High School Baseball team and not the Chicago Cubs that brought a championship to Wrigley Field.

The Swimming Team

For a fast-moving sport there is nothing like being a member of the Wells Swim team. It is a sport which exercises every muscle in the body.

This sport utilizes much energy. After many practice sessions, the team is put into competition against some of the best swimmers in the city.

Our coach is Mr. Rudolph Rinka.

ON YOUR MARK

The Correlator Staff

WELLS CORRELATOR

The Correlator Staff hopes that all the students at Wells enjoy this year's annual as much as we enjoyed putting it together. We have aimed for completeness and accuracy, in that, we hope to have included as many student pictures as possible and have them accurately described.

We wish to thank Mr. Goodrich, the Faculty and all the students responsible for this year's Correlator for their aid and courtesy throughout the year.

"DEC.-1-56" 6-10-57

To my "darling",

There are so many things that I could say or write to you but they could never really express my feelings for you. The way I think about you day & night & how happy I feel when ever we're together doing things that I've dreamed about ever since we've met. Every time I see you in the morning or at night I feel so happy as if I could never be sad or unhappy again because I miss you so very very much when we're not together. Even for one day. When ever I don't get to see you between classes I do miss you because it's more like a habit with me to see you waiting or see you coming down the hall.

If and when you do go to the service I know I'm going to miss you so very much & I don't see how I'm going to do it but I'll get by okay because I'll be thinking of the time when you will be returning home to me and the plans we have to make if you still feel the same way about me when you return.

I'll pray every night while your gone so you can return to me safe & sound. If any one or anything ever took you away from me I think I'd die. I wouldn't be able to take the heart break.

While your away, I'll look at all your pictures that are up in my room and I'll remember the good time we had on that one picnic. Especially that one "Beefcake" picture of you on the car. I just love that one.

If I had my way you know what I'd do? well I don't guess I should write that in here but you know what I'd do. Of course being with you for just a few hours gives me enough happiness to last a whole week. Of course I miss you no matter how happy I am.

When I get out of school I'm planning to

While your away you can send some money home to start a savings account for your future whether it be with me or someone else. Althalgh I truly want its to be with me.

All I can say now is I hope & pray that we can always be together & share our problems together, do creative things together and have a glorious & a prosperous future ahead of both of us to face the great problems of the big outside world together, hand & hand. I've dreamed about so many things in store for both of us & I only hope they will some day come terue & make you the happiest guy in the world, because that's my only reason for living, to live a happy & successful life together with you.

I think if I had to face it myself I'd rather die. I try so hard to make you as happy as ever.

Well I'm running out of space so I've gat to close but before I do, I want you to know that I love you with all my heart.
